January 7, 2010
For Immediate Release

Marquette- Plans are well underway to make this year's Marquette General Health System Noquemanon race(s) set for January 30, 2010 the best ever. As of January 1, 2010, we have 838 people registered. This is on pace for our largest event yet. This year we are working on growing this event, mainly by providing increased racer services and benefits. Some of the additions for 2010 will be a new Marquette Sports Medicine Institute 12k, a 15 mile/10k snowshoe, a pasta feed on Friday night, (inside the dome) and additional busing to and from our events from select hotels.

Year in and year out our volunteers have been there supporting our skiers in all types of weather, wearing costumes, playing music and making the day great! Each year, the skiers overwhelmingly admire the spirit our community shows. Again...with your help we can continue to offer a premier skiing event.

If you are willing to volunteer or gather a fun group of friends to volunteer for the Ski Expo on Friday night or on race day, Saturday, January 30, 2010, please reply to 906.235.6861 or sscntnadmin@gmail.com.

Include your contact info: address, phone, email and what capacity you would like to volunteer. We will then reply to you with areas of interest. Thank you for your support and consideration for the 2010 race. We simply cannot put on this quality event without you.

For more information on the Marquette General Health System Noquemanon Ski Marathon, mBank Half Noque and Noque 12K , call 906-370-RACE or visit www.noquemanon.com
